SATURDAY MORNING GOLF CLINIC

Blackthorn Golf Club

"GROWING THE GAME FROM THE GROUND UP!"

This clinic is designed to help all ages and skill levels with many aspects of the game throughout the golf season. These aspects will be pre-swing basics such as grip, setup and alignment, full swing pivot, weight transfer, swing path, impact using irons and woods, extension and follow through. Short game aspects of putting, chipping, pitching and greenside bunker shots will also be included. Learn something new every week!!! In each class there will be group instruction and a few minutes of one on one instruction for each student, where questions and personal game needs can be addressed.
